Solution to clean and remove foul odors from urinals

Bloc-UR is easy to use. No mixing is required. Just add as needed a new **Bloc-UR** in each urinal.

If a screen is required, the ecological screen is what you need. It does not need to be replaced regularly, simply drop a new **Bloc-UR** in the ecological screen as needed.

Bloc-UR is the solution to eliminate foul odors at the source.

For best results: ensure that urinals and pipes are clean before the first application **Bloc-UR**.

Available in sizes of: 12 and 24 blocks.
