

INSTRUCTIONS

Solution to remove unpleasant odors from containers and compactors.

Solu-Odor Industrial is specially formulated to eliminate persistent foul odors of organic waste in decomposition.

Solu-Odor Industrial: is easy to use. No mixing is required. Just spray it directly on the areas to be treated using a sprayer, an automatic device or a garden pump.

trash cans: spray **Solu-Odor Industrial** directly on the surfaces to be treated, repeat as needed.

Containers and compactors: spray 10 ml of **Solu-Odor Industrial** every 30 minutes inside the container and compactors (when open) using an automatic pump with a timer or a garden pump.

For best results: Ensure that all surfaces are clean before the first application of **Solu-Odor Industrial**.

Available in size: 4, 20 and 205 liters.
