

# PROGLOVE GREEN

## PROFRESH GREEN

**PROFRESH GREEN** is a biotechnological and readily biodegradable product, it contains friendly bacteria and surfactants, which have been specially selected to eliminate unpleasant odors. These microorganisms accelerate the decomposition of organic matter and prevents the production of malodorous gases.

**PROFRESH GREEN** is easy to use. No mix required. Just spray it directly on the areas to be treated.

**PROFRESH GREEN** is used for gloves and sports equipment, in garbage cans, toilets, on carpets, and in any place where circulate unpleasant odors.

**PROFRESH GREEN** gives phenomenal results for gloves and sports equipment, it literally breaks down and digests the sweat.

For best results, make sure that all surfaces are clean before the first application of **PROFRESH GREEN**.

### Characteristics :

<b>Form :</b>	liquid
<b>Color :</b>	green
<b>Fragrance :</b>	fresh
<b>Content :</b>	non-pathogenic bacteria and surfactants
